

“Tailored 4 You” by You!

The “**Tailored 4 You**” model is a new addition to the already successful Marshall QM Range and has been designed for the discerning and practical customer. The trailer is clearly in a class of its own with a vibrant purple paint scheme combined with a number of other features aimed to provide you, the customer, with the perfect trailer. The “**Tailored 4 You**” model’s signature colour defines exactly what the trailer is designed for, to be the market leader. History dictates that only leaders wear purple, therefore its only fitting that the “**Tailored 4 You**” model is the same. All it takes to own one of these quality and exclusive trailers is to order any trailer in the QM range with four or more extras. Owning a “**Tailored 4 You**” trailer is easier and closer than you think!

The Hydraulic Grain Door is one of the most commonly purchased pieces of equipment we supply. It simplifies so many problem situations and greatly improves the efficiency of any operator.

Fitting the correct axle equipment is of paramount importance to ensure long trouble free operation and to keep abreast of legislation.

Keep your trailers moving both on and off the road with a wide variety of optional tyres. The tyres shown give exceptional off road performance leaving a field as if its never been touched.
